

DOC Servizi (coordinating organisation, <https://docservizi.retedoc.net/en/>) is preparing a project proposal concerning the **creation of a European Platform** for emerging musicians with the aim of **turn stream music into live exhibitions, real events and opportunity of cooperation.**

The objectives are:

- promote the generational change of European emerging artists, encouraging artistic development, contamination
- foster emerging artists circulation among the EU countries encouraging their exhibition in live clubs, festival, concerts, etc.
- organise and connect artists with opportunities as events, workshops, trainings, cooperative projects
- provides support and security in terms of protection of artistic and cultural work.

The pandemic crisis has blocked the apprenticeship for **emerging artists**, fostering isolation and online communication. This Project investigates the new forms of make and share music, promote young emerging artists talent boosting their career at the national and European level.

Useful information about the Project:

- Field: music
- Target: direct: emerging artists - Indirect: professionals and technicians in the field of music, live clubs
- Duration: 3 years from March 2022
- Member organisations: min. 12 organisations from 12 different participating countries (in the Programme Creative Europe)
- Max. Budget for each member of the Platform: 60.000 euro per year
- To spend at least 70% of the funded budget annually on the artistic program
- To support at least 50 emerging artists per year (all the project, not single member)

We are doing our maximum effort to apply for the [call CREA CULT 2021 PLAT](#) of the Programme Creative Europe, whose deadline is the 29 of September 2021.

For this reason we have identified **DMA associated** as EU organisations for participating at this Project, in force of their inclusive and collaborative approach to the Call aim.

If you are interested in participate in this project, please mail us not later than Thursday the 9th of September, and anyway we can contact you by zoom call! We will give you all the information you need.
